

INNOVATION FOR LAWYERS

Why and how to
innovate, change & succeed

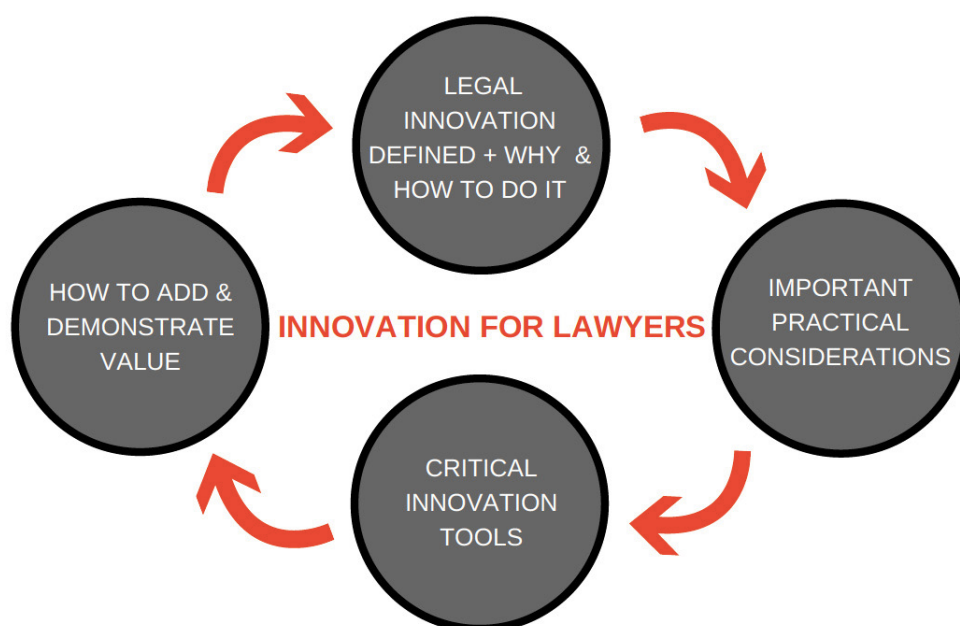

11 OCTOBER 2017 (WEDNESDAY) – 9.00AM TO 4.30PM
at the Hong Kong International Arbitration Centre
38th Floor Two Exchange Square, 8 Connaught Place, Central, Hong Kong

Specially designed and adapted for the *In-House Community™* by Peter Connor, former GC and founder of Alternatively Legal*, this 1-day Program will provide a new direction and critical 'non-traditional' knowledge and skills to help you to innovate and change the way you work to add more value for your organisation.

"This dynamic workshop has helped me to see the practice of law from a completely new perspective. I came away energised and inspired, with lots of new ideas and a very specific set of action items to implement changes to the way we work" – Lesley Power General Counsel, SBS

"Peter was briefed to stimulate thinking around technology. His preparation and material was first class and he stimulated discussion with anecdotes and facts (so important for lawyers). The lawyers are very keen to have Peter return to take them outside their comfort zone" –

David Rennick Managing Partner
