AL SUWAIDI & COMPANY

Established by Mohammed Rashed Alsuwaidi in 1997, Al Suwaidi & Company is a leading UAE law firm with offices in the main districts of Dubai, Abu Dhabi and Ajman.

The firm believes in providing straightforward and sensible legal advice. It wins praise from clients for delivering work on time and within budget. Al Suwaidi & Company boasts a number of highly experienced UAE and international lawyers who are able to provide advice at economical rates in comparison to the costs of larger firms. Lawyers are available with full rights of audience in the Dubai, Abu Dhabi and Dubai International Financial Centre Courts.

Al Suwaidi & Company has represented a number of public and private sector companies, local businesses and multinationals from various industries, government owned entities and international law firms. Whilst the firm has a particularly impressive track record in litigation and arbitration, it is well placed to advise on the full spectrum of legal issues including employment, company/commercial, corporate, shipping, insurance, real estate, property disputes, intellectual property, banking, Islamic finance, white collar fraud and criminal. The firm has handled many regional arbitrations.

Al Suwaidi & Company has recently joined the MULTILAW Network, through which it is associated with 150 commercial centers worldwide. As UAE's only member of MULTILAW, Al Suwaidi & Company can provide worldwide legal access to clients by connecting them with multi-jurisdictional expertise to facilitate cross-border transactions and disputes.

Main Practice Areas

Litigation and dispute resolution, arbitration, corporate and commercial, construction, real estate, intellectual property, employment, insurance, maritime, Islamic finance, oil and gas, media and communication.

Recognition and Key Deals

Al Suwaidi & Company's in-depth knowledge of the local law coupled with its extensive experience, as well as governmental relationships and the firm's drive to succeed, have earned high praise from clients. Some key instructions are highlighted below:
