JLD100**

Attend the two-day symposium and benefit from...

Insight and guidance from a range of diversity and equality specialists, legal experts and senior leaders in the profession.

Practical skills to overcome the barriers and understanding potential future developments and best practice solutions identified from the Law Society's extensive research.

Celebrating the centenary since women in England and Wales were first permitted to practise law. Hear from the successes of pioneering women in law and the experiences of male leaders as champions for change.

Networking opportunities throughout the two-day event and at the post-event drinks reception.

A varied programme featuring keynote speeches, panel discussions, deep dive seminars and practical workshops.

Becoming an active part of a global movement as we launch the 'Women in Law' Charter - a joint initiative with the Ministry of Justice.
