What we do

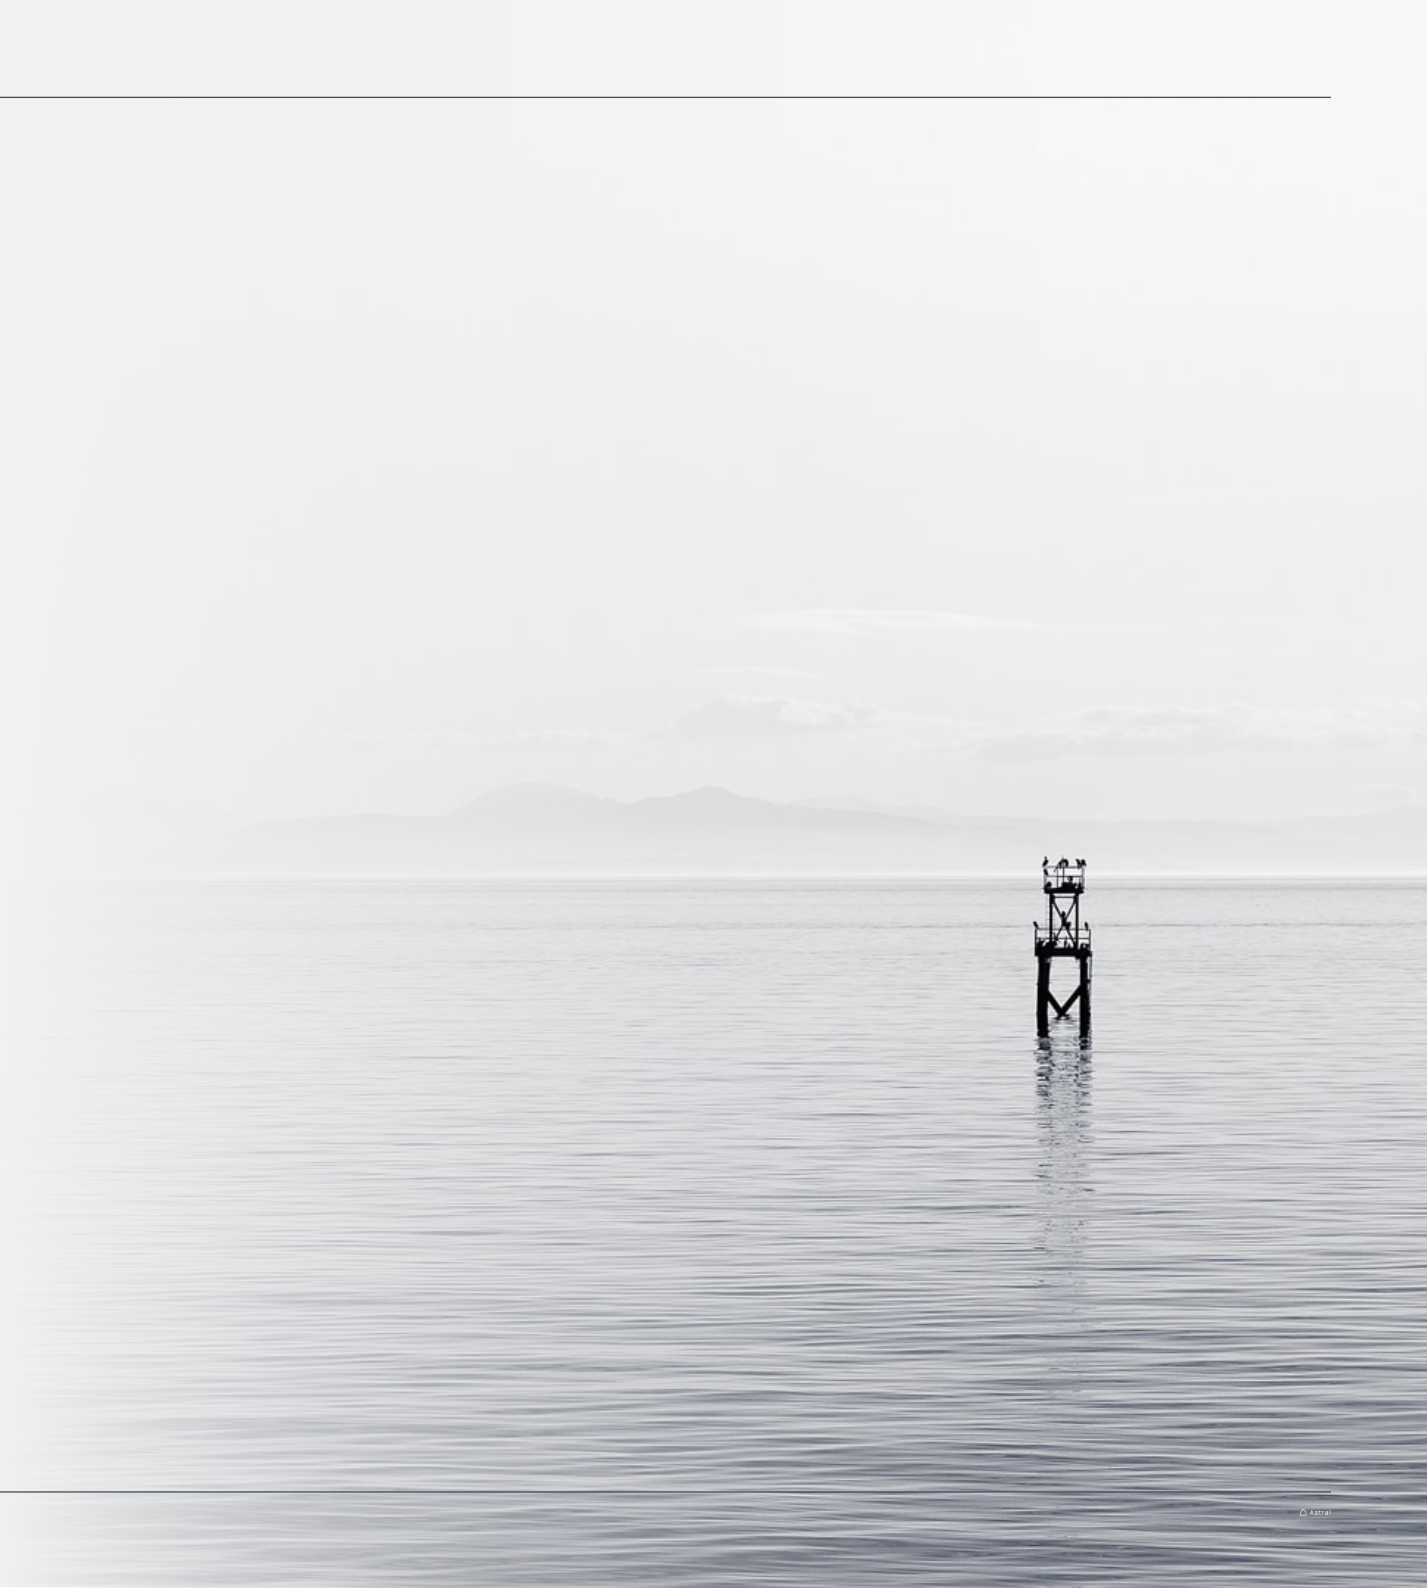

We represent the world's leading law firms, from top internationals through to domestic boutiques, as well as the in-house teams for multi-national corporations and financial institutions.

Our specialist team of consultants are each assigned to one vertical market where they focus 100% of their time.

We do not work across multiple practice desks.

This immersive approach enables us to connect with up to 20% of the market on any given day, keeping us fully aware of any changes in our candidate and client network.

To our clients this means valuable insight at every stage of the search process.

When you choose Astral, you get the best candidate in the shortest time.

An aerial photograph of a beach and ocean. The beach is a wide, light-colored strip of sand that curves along the right side of the frame. The ocean is a deep blue color, with white foam from waves breaking onto the shore. The sky is a pale, hazy blue. The overall mood is serene and professional.

Candidate experience

We are more than a recruitment solution.

We immerse ourselves in the requirements of our clients, forming deep partnerships that allow us to use our in-depth knowledge to facilitate your career progression.

We take a fully consultative approach, providing you with feedback and insight at every step – starting from the moment you choose Astral as your recruitment partner.
